

**2025 Spring Bible Conference**

# **GOD'S PLAN & SATAN'S ATTACK ON THE DIVINE INSTITUTIONS**

**February 14 -16, 2025**

## **GRACE & TRUTH**

**BIBLE CHURCH**

Join us this coming February 14-16 as we explore ***God's Plan and Satan's Attack on the Divine Institutions***. We will journey verse by verse through the Scriptures to uncover & understand God's divine design for marriage, family, human government, and the Church, and examine the ongoing spiritual battle against these God-established institutions. In a world captivated by cultural trends, rejection of divine viewpoint, and self-focus & reliance, we need to return to the truths of God's Word, recognizing that the ultimate victory is found in the culmination of His eternal plan of the ages and that God has us at this time in human history to serve as ambassadors for Jesus Christ.

**Location: The Bridge Church building, Ft. Valley, GA**

**There is no charge to attend {though you can help defray costs by grace-giving online if you desire}.**

We do ask that you register in the coming weeks if you plan to attend in person at: [gracetruthbible.org/events](https://gracetruthbible.org/events)
